

Electric Vehicle Charger Rebate Form

Qualifying electric vehicle (EV) chargers must be purchased after October 1, 2020. Qualifying EV charger purchases must be new, Level 2 (240-volt) EV chargers; used EV chargers are not eligible for rebates. Only one rebate per EV charger. Installation costs will not be applied towards the rebate amount. Rebate forms must be submitted within 60 days after the purchase and installation of the EV charger. To receive a rebate, this form must be completed in its entirety, and a copy of the sales receipt and photo of the installed EV charger must be included. A copy of the vehicle sales agreement or registration is also required. Physical inspection for verification may be required. Holston reserves the right to verify sales receipts, model numbers and installation information. Holston also reserves the right to request additional documentation. By submitting this form, you agree to the terms and conditions of this offer. This offer is valid only for existing Holston residential electric customers with a current electric account in good standing.
